LOUISIANA STATE LICENSING BOARD
FOR CONTRACTORS

Weathering the Storm

Louisiana State Licensing Board for Contractors

Licensed contractor . . . It's the Law!

"Hurricane season and other extreme weather events bring the potential for devastating property damage. Unlicensed contractors often solicit work after a storm to take advantage of consumers who need repairs. The Louisiana State Licensing Board for Contractors is here to help consumers recognize fraudulent contractors and take the necessary steps to protect themselves."

- Brad Hassert, Executive Director

For more information, visit our website at www.lslbc.gov.

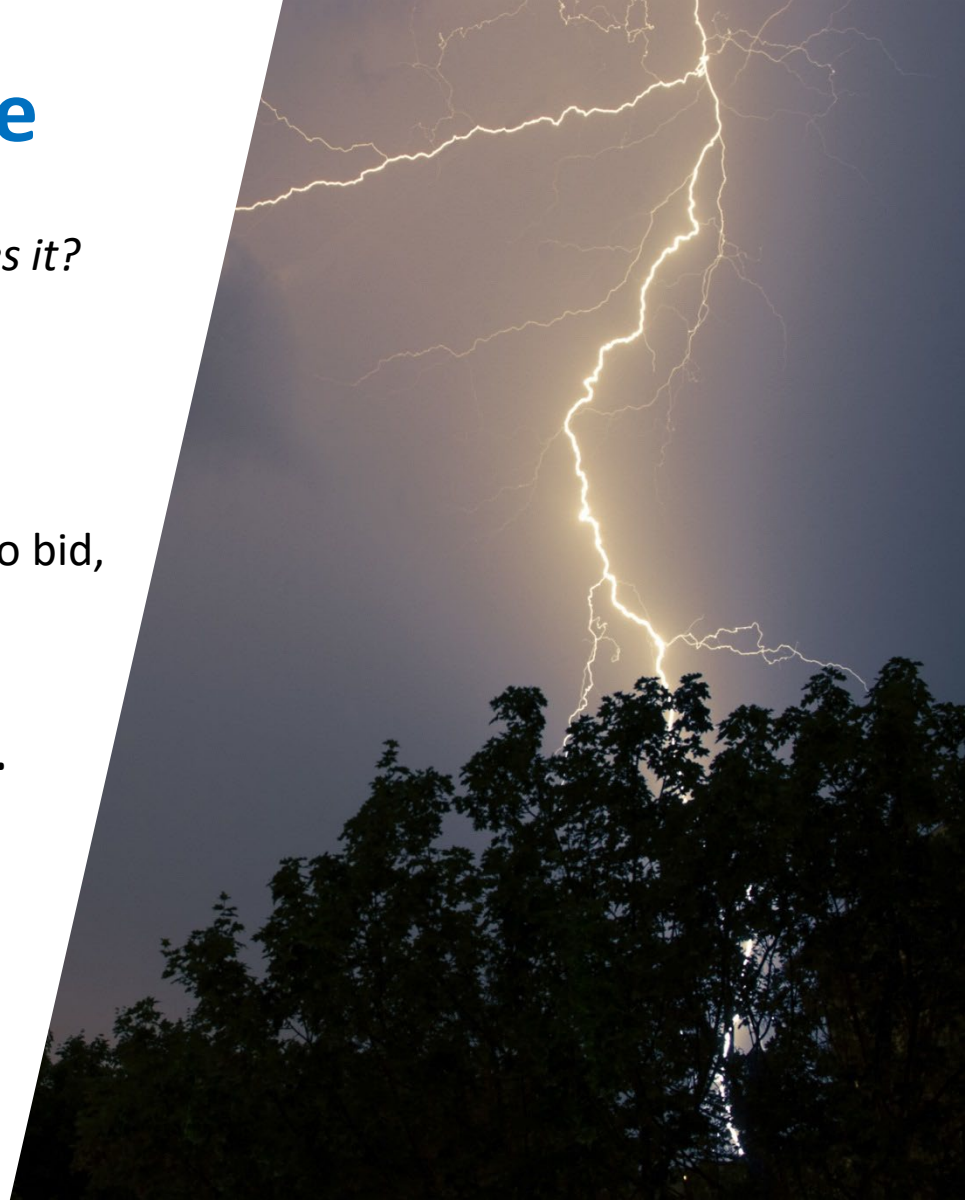

Don't Become a Victim Twice

"Lightning never strikes the same place twice" . . . or does it?

Check out your contractor!

Remember, a contractor must be licensed or registered to bid, contract and/or perform work in the state of Louisiana!

Verify Licensure by searching online at www.lslbc.gov.

Hiring a Louisiana licensed or registered contractor?

- Get the contractor's name, business address, and their license or registration number
- Verify the license or registration number with the **Louisiana State Licensing Board for Contractors**
- Get at least three bids for the project prior to selecting a contractor
- Require proof of active general liability insurance and worker's compensation
- Require a written contract signed by both parties (consumer and contractor) and agree upon:
 - the estimated dates of start and completion of the project;
 - a description of the work to be performed; and
 - the total dollar amount to be paid to the contractor upon completion of work
- Never pay a large downpayment
- Never pay for construction not yet completed

When is a contractor's registration or license required?

Contractors must be registered and/or licensed in Louisiana before bidding, contracting and/or performing work in Louisiana.

All amounts include cost of materials and labor.

HOME IMPROVEMENT REGISTRATION

Required for home improvement projects with a value exceeding \$7,500 but not in excess of \$50,000; proof of general liability insurance and workers' compensation coverage required. A Home Improvement contractor shall not perform any structural or roofing work.

RESIDENTIAL BUILDER LICENSE

Required for new residential construction projects or home improvement projects with a value exceeding \$50,000

MOLD REMEDIATION LICENSE

Required for mold remediation projects with a value of \$7,500 or more

COMMERCIAL LICENSE

Required on commercial projects with a value of \$50,000 or more - except for electrical, mechanical, and plumbing work, which requires a license for projects with a value exceeding \$10,000, and hazardous materials work with a value of \$1.00 or more.

Avoid costly delays and legal issues

The **Louisiana State Licensing Board for Contractors** has the authority to place a **STOP WORK** order on your jobsite or project if you hire unlicensed contractors or subcontractors.

REMEMBER: Substantial monetary penalties can be levied against unlicensed, unregistered, and fraudulent contractors.

Our enforcement team is ready. Are you?

Need to file a complaint?

- Go to www.lslbc.gov and file an online complaint form

A circular image showing the interior of a building under construction. The structure is made of light-colored wooden framing, including vertical studs and horizontal joists. The ceiling is partially covered with brown insulation. The floor is a smooth, grey concrete surface. A blue circle is overlaid on the center of the image, containing white text.
