BRAD HASSERT
EXECUTIVE DIRECTOR

The Louisiana State Licensing Board for Contractors will host open discussions regarding the transition of licensing and regulatory authority for the plumbing trade from the State Plumbing Board of Louisiana to the Louisiana State Licensing Board for Contractors.

These meetings will be held in the Board Room of the LSLBC at 600 North Street, Baton Rouge, LA, 70802, beginning at 9:30 am on Tuesday, October 27, and Tuesday, November 24, 2026.

Act 908 of the 2026 Legislative Session transferred this authority, and we welcome your input on any items that may be unclear or may not have been fully addressed in the legislation. Your feedback will help ensure a smooth and comprehensive transition.
